The program is helping me find housing. They have helped with job leads and sent me places for transitional housing. I haven't had my own place but they sign me up for low income housing and Section 8. They help me alot. They take us on trips I love it. we went to Universal last year and we are going to disneyland this year. It pays to be sober I have never went to these places and if I was still using I probably would never go. Thanks FFC
